T2 | Alcântara | Under Construction

Urban residential development with a lot of charm. Consisting of two blocks in a single volume, with two underground parking floors and five residential floors.

It includes 24 fractions, with typologies from T0 to T6 +1. Modern, sophisticated apartments, with lots of light and high quality finishes, with fully equipped kitchen and air conditioning. Views of the Tagus River and also the historic capital.

Inside the condominium there is also a gym and a garden to find peace and tranquility in the middle of the vibrant city of Lisbon.

In a great location with all the needs around, close to the accesses to Lisbon and Cascais.
